ARKAGIT®
—KOZMETİK SAN. VE TİC. A.Ş.—

Our Story

Our journey began in 1994 with the founding of Papilion, driven by a singular mission: to make high-quality and affordable hygiene products accessible to families worldwide. Over the years, we have expanded our product portfolio to include tissue paper, wet wipes, cosmetics, and detergents, which are now distributed in approximately 86 countries.

Our unwavering commitment to excellence has been nurtured by our global presence and extensive experience. We have continuously pushed the boundaries of innovation to meet and exceed the expectations of our valued customers. To ensure the highest quality and safety standards, all Papilion products are meticulously manufactured, sourced, and innovated at our state-of-the-art facility located in Istanbul, Turkey, adhering to the strictest Good Manufacturing Practice (GMP) standards.

Looking ahead, we'll stay true to our mission and customer-focused values. We're committed to working closely with our customers and partners worldwide to ensure affordable hygiene products are accessible to all. Our journey towards a cleaner, healthier world continues with your support, as we relentlessly innovate to make quality hygiene products available to everyone."

Join us on this journey towards a cleaner, healthier world. Together, we will continue to innovate and serve, making quality hygiene products a reality for all.

Colotis By Papilion

Vision

Our vision is to offer affordable, innovative, and compassionate products that cater to everyone's needs. Each product we craft is a testament to our unwavering dedication to our customers. With a global presence spanning over 86 countries, we've gained invaluable insights into creating products that prioritize transparency and thoughtfulness.

We're not just a company; we're on a mission to revolutionize the industry, one product at a time, across the world. Our commitment is to bring about a paradigm shift, enhancing lives and experiences everywhere.
